

Citrus Cleaner and Adhesive Remover

Clear

- All Natural (no petroleum distillates)
- Biodegradable
- Perfect for Cleaning Applicator Guns (gunjets)
- Non-Corrosive
- Cleans Many Surfaces
- HAPs Free
- Contains no CFCs

Citrus Cleaner and Adhesive Remover is specifically designed to clean Westtech brand gunjets and adhesives from a variety of surfaces. It has a fresh citrus scent and removes scuff marks, graffiti, grease, tar and much more. It can be used on most substrates to remove adhesives, grease, inks, oils stains, tar, rubber marks, residue from decals or tapes, graffiti, and release agents.

WT-CCAR can be used to clean up overspray on laminate and aid in clean-up.

- Metals
- Flooring
- Printing Equipment
- Motors
- Concrete

Westtech's self contained, environmentally friendly, portable canister system was designed for ease of use. The canister is equipped with a reusable hose and gun. Its portability enables you to apply remover in your facility as well as on the job site. This product is available in handheld aerosol cans and 9 lb. canisters.
